Visitors: Jerry and Sandy Benson, Kathy Miller, Marla Tinkalpaugh, Tonya Romonofski, Bob and Leanna Nickleson.

A. Jerry and Sandy brought it to the council's attention that Dave Benson had a large party on Friday night. Cars were parked on his property. They had a large bon fire going and loud fireworks were set of that broke a few of daughter's windows next door. No officers were on duty, so they called and complained to the State Police. Were told without the property pins there was nothing that they were able to do. We informed them that someone was to come out if our officer were not on duty.

Chief Smith explained that without the property pins there was nothing he was able to do. He will investigate the broken windows and the fireworks. Jerry said he is unable to get

the survey done till sometime in Sept. Was wondering if Council would be able to help him to get it sooner. We explained that we are unable to do that.

B. Kathy Miller asked if the food bank would be able to purchase an upright freezer to help them out with leftover food. They would also like to have a lock on it. The Council agreed that if they purchase a freezer that they would be able to have a lock on it and put it against the wall back by the bathrooms.

The ladies were wondering if they would be able to clean the kitchen. The Council had no problem with this.

They also wanted to say thank you to the Council for being able to have the food bank at the Community Center. It has helped many families in our area.
