Action on December 4, 2012 meeting minutes: Motion by Dan, 2nd by David to approve as presented. Unanimously approved.

Correspondence and Resolutions:

Tri-Boro letter – read aloud and filed with minutes

Letter from PSAB – planning on providing a plaque to Lanesboro in honor of our anniversary (incorporated 1/1/1888)

Letter from True Friends in Montrose

Visitors requesting time on the agenda: none

Public input (maximum five minutes per speaker): Ed explained process of attempting to acquire PennDOT property between Starrucca Creek and Lansing Morris residence. Lanesboro investigate possible acquisition to allow installation of a caboose museum. Maby provided Ed a copy of the tax map for the parcel. Further discussions anticipated in the coming months.

Police report: Read by Mayor Maby as submitted by Chief Smith. Copy given for filing.

COG: Minutes previously sent out by e-mail by T. Glover

Streets Committee:

Todd noted Harmony Township doing a nice job keeping Mountain Rd clear (with IGA). No complaints from residents on snow removal on roadways; two complaints regarding the placement of snow from the snow blower ending up on porches. Jason stated that the matter had been dealt with and will not occur again.

Parks & Recreation Committee:

Discussion of parking lot construction: Work to be completed in spring; top course will be milled off and replaced, with striping to follow. Lanesboro needs to install the new signs.

Sidewalk snow removal: concern about snow blower being angled toward

Fence along Cemetery has been reinstalled; construction fence put up around the uncompleted topsoiled areas by the Community Center.

Sewer/Refuse Committee:

Chris contacted Joe Schell on 12/6 about setting up a camera inspection of leak in lateral on Viaduct St. Chris instructed Joe to reach out to who they typically use as the camera crew used previously did not have a small enough camera to get into lateral. Joe has not called Chris back yet.

Dan – explained a problem with the lights on the garbage truck. Damon was contacted on the same day and the problem has been resolved.

Community Center & Website:

Plans for interior shown and discussed. Council to review; any changes will be made by Chris. Chris will incorporate and provide copy of plans to Engineer for review and seal. Plans will then be submitted to COG for permit, with advertising immediately thereafter. Discuss motion to put out to bid upon COG permit approval. After discussion, council approved Dan's suggestion to add an alarm system to the plans as a bid alt. Motion by Dan, 2nd by David to approve the plan changes, authorize PE review and signature, and forwarding of the same to COG. Unanimously approved.

Bill review: nothing of item to discuss; only bills are the typical utility bills.

Old Business:

IPMC: Todd will invite Myron to the next meeting to discuss the code concerns and finalize the draft for advertising.

One-call system setup – Gail has a binder of who has provided phone numbers. She will send out another notice to those residences who haven't responded in the next billing cycle. All of the data will then be compiled by Amanda and forwarded to the one-call company for implementation.

New Business:

Call from Carmine Russo, Regional Executive Director Red Cross – Chris rec'd a call from the Red Cross inquiring about a news article about Bob Mireider's missing dolly. The dolly has since been found and returned to Bob

Boundary issue related to census data – the boundary between Susquehanna, as shown on the census map, is not accurate. The line incorrectly shows Turnpike Terrace as being in Susquehanna. Chris has filed a formal complaint and will be forwarding documentation showing the surveyed appropriate location.

Insurance questions related to ice skating rink – Chris had a list of questions related to the potential skating rink at the soccer field. Council answered the questions; Chris will forward to the insurance company at which time they will provide a quote. Chris noted that this back and forth is realistically setting it up for possible development next snow season.

Motion for adjournment by Regina, 2nd by Jason. Unanimously approved.
