

LANESBORO
CODES SUPPORT

PO Box 214, Susquehanna, Pa 18847

Attention Lanesboro Property Owners and Residents

Earlier this year, a notice was included in your garbage and / or sewer bill regarding house numbering, their sizes, and location to which they should be placed.

Thanks you to those who have complied! Unfortunately, many of you have not. This is a serious concern, a possible liability, and a violation of the law.

We are extending the time frame for compliance to no more than 30 days from the receipt of this notice. After the 30 days are up, we will be rechecking the community. Installation of these numbers is mandatory.

We encourage you to buy locally – the signs are available at the Susquehanna Home Center, and also at EK Owens. **THE SIGNS MUST BE PLACED ON YOUR RESIDENCE, AT A LOCATION EASILY VISIBLE FROM THE ROAD.** Additional signs can be placed on your mailbox, if you so choose.

Doing this could save your life, and better emergency response, and home deliveries from places like FedEx, UPS, and Schwans.

If you have any questions on sizes or placement of numbers, please refer to the section listed below and/or call the codes Department at (570) 756-2779.

Buildings shall have approved address numbers placed in a position to be plainly legible and visible from the street or road fronting the property. These numbers shall contrast with their background. Address numbers shall be Arabic numerals or alphabet letters. Numbers shall be a minimum of 4 inches high (102mm) with a stroke width of 0.5 inches (12.7 mm).

Lanesboro, on behalf of itself, local emergency services, & the delivery companies servicing our area appreciate your anticipated compliance.
